

London Gallery Quire Church Crawl

Saturday 24th September 2011 starting at 10:30am

Travelling Advice

The first Church, St. George's in the East, is on the Highway to Wapping. The nearest station is **Shadwell**, about 3 minutes walk away. The station is on the Docklands Light Railway.

For folks who prefer to drive, I could arrange parking by my home on the Isle of Dogs to enable folk to then use the DLR to get to Shadwell but I will need notice to arrange this.
